

REMARKS

The specification and Claim 26 are amended to correct typographical errors. The Applicant hereby elects the claims of Group 1, with traverse, as the Applicant believes that a search of the claims from Group 1 would arrive at art, if available, from the claims of Group II.

It is believed that each of these claims is allowable and furtherance to issuance is respectfully requested. If the Office's next anticipated action is to be anything other than issuance of a Notice of Allowability, Applicant respectfully requests a telephone call for the purpose of scheduling an interview.

Respectfully Submitted,
